Laura Vara

Data Analyst

Objective

Aspiring to gain hands-on experience in the dynamic field of Data Analytics, leveraging my existing skills and creative problem-solving abilities. Eager to contribute my expertise as a valuable team member at a forward-thinking company that recognizes and values my unique skill set. Seeking apprenticeship positions for: Data Analyst, Data Engineer, or Software Engineer. I'm a quick learner, focused on advancing my career in Tech.

Education (Currently pursuing Data and Software Engineering)

- Data Analytics Bootcamp Certification (Present) Program ends June 2024
University of Denver (Colorado)
- Medical Administration Certification (2 yr)
Vista Adult School (San Diego, CA)
- Incomplete Bachelor's in Public Relations, Advertising, and Applied Communication (3yrs)
Universidad Autonoma de Nuevo Leon (UANL) Communication Sciences
- Incomplete Bachelor's in Industrial Design (1yr)
Universidad Autonoma de Nuevo Leon (UANL) Architecture
- High-School Diploma
Universidad Autonoma de Nuevo Leon (UANL) - Mexico
